What is Title Insurance?

Owner's title insurance is meant to protect your ownership interest in your home. Subject to the terms of your policy, owner's title insurance protects you against losses incurred due to any title defects that existed prior to the purchase of your home.

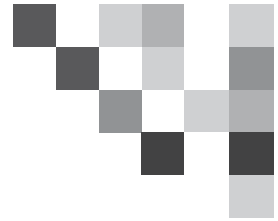

Your owner's title policy offers insurance protection for as long as you own your home.

To the extent of the matters covered in the policy, an owner's title insurance policy will protect you in the event a legal challenge is made to the ownership of your home.

Fidelity National Title®

Trusted everywhere,
every day.
